Faster... Cheaper... Better

We know companies must have these value propositions to make a change today; the Nucleus™ Reward Platform delivers them and more!

This next-generation technology can give you the competitive advantage that makes your sales incentive or consumer promotion stand-out against the competition.

Ultimate in Merchandise

- Millions of Items
- Real-time inventory, no back-orders
- Access to the latest models and releases
- World-class fulfillment and personalized customer service

Unlimited Travel

- No black-out dates
- Thousands of hotel, car rentals and cruises
- Airline tickets through all major carriers
- Browse last-minute deals and add-on local activities

Concert Tickets and Sporting Events

- Two million plus tickets via 30,000 events
- NFL, NBA, MLB, NHL, Golf and NASCAR
- Theme park and attraction tickets too!
- Browse seating and venue charts before you buy

Integration and Support

We can help create a new look or build seamlessly into your current system. Our design and implementation team is ready to take your program to the next level!
